Once You Get to Highway 404 - Follow These Instructions:

Travel Northbound on the 404 until you reach the exit for Highway 7 - this is the fifth exit, and it comes after the exits for Sheppard Avenue, Finch Avenue, Woodbine & Steeles Avenues & the exit for Highway 407.

Exit the 404 at Highway 7 and choose the left lane to turn left (Westbound) at the lights at the end of the exit ramp.

After turning left at those lights, proceed Westbound along Highway 7 under the overpass and through the next 3 lights: first one is for traffic exiting from the southbound 404, the second one is at East Beaver Creek Road and the third one is at Leslie Street.

Turn right (Northbound) at the fourth light - West Beaver Creek Road (look for the green TD Canada Trust signs on the right side).

Travel Northbound on West Beaver Creek Road until you reach us at #105 - we are in a white two storey building with black windows, at the corner of West Wilmot Street. If you reach Leslie Street as you curve around West Beaver Creek Road, you have gone too far.

Park anywhere in the parking lot, our offices are in Suite 4 - look for the Sound Ideas sign over the door.
